Health & Wellness

The WELL Building Standard, with its seven core concepts, is revolutionizing the way people think about buildings. It explores how design, operations and behaviors within the places where we live, work, learn and play can be optimized to advance human health and well-being.

West is registered to pursue WELL Certification

Outdoor balconies and roof deck for improved outside air work environments

Outside air ventilation rate 30% greater than normal standards creating enhanced indoor air quality

Touchless and water conserving restroom features

Onsite shower, locker, and changing facilities

Electrical vehicle charging and clean air vehicle parking

HOSPITALITY at WORK[®]

A LOWE COMPANY

The building will be managed by Hospitality at Work, a Lowe Company. Hospitality at Work brings life to the workplace by reinventing and reinvigorating how property management is done. By fusing hospitality with meticulous management, Hospitality at Work creates an office environment unlike anything you've experienced.

Hospitality at Work provides an on-site building host, tenant programing & event hosting, health & wellness programs, seasonal activities, volunteering & donation drives, tenant service coordination and coordination of programs tailored to the tenants of each building.

“We celebrate people as the most valuable asset in real estate.”
